Travel in DDR

Reference: MOV-A-1500

According to the recent experience of CAUTERY 3 and at
at least one developmental agent now on our books, there is
no problem attached to travel in the DDR with nothing more
than a West German Personal Ausweis. However, on one occasion
at least, we have been informed that a ER Police document might
involved consultation of some sort of "Fahndungsbuch" in the
case of West German papers.
